McKernan Baptist Church
“Built Up in Christ to Reach Out for Christ”
GROWING STRONG
IN GOD’S WORD
Through the Bible in a Year
2010

“All Scripture is inspired by God and is useful to teach us what is true and to make us realize what is wrong in our lives. It straightens us out and teaches us to do what is right. It is God’s way of preparing us in every way, fully equipped for every good thing God wants us to do.”

2 Timothy 3:16, 17 (New Living Bible)

God has given us His Word. What an amazing truth! This reading plan is simply designed to guide your journey through God’s Word. The daily readings will take you through the Bible in one year with a daily reading in the Old Testament and one in the New Testament. We have left Sundays without any readings so that you can use these days to catch up or do any other reading you would like to do.

Here are some suggestions to help maximize your Bible reading:

1. Before you begin your daily reading, spend time in prayer, asking God to speak to you through His Word. Pray that God would give you an open, teachable heart and enable you to understand and apply the truth He wants to show you.
2. Read the passages suggested for the day. Underline any verses God impresses on you. You may want to stop and reflect on these verses, even if it means you don’t finish the whole reading. The goal is not to complete the reading, but to allow God to speak to you through His Word.
3. Journal your thoughts under the following four categories. (The first letters of each category spell the word SOAP)
 - **Scripture:** Write out a verse or verses that especially spoke to you.
 - **Observation:** Briefly write down the truth that is expressed in the verse.

- **Application:** Reflect on what it would look like to live out the truth of this verse in your own life. Record these reflections.
- **Prayer:** Write out a prayer of response to God. Talk to Him about the truth He has shown you and ask for strength to apply this truth.

After you finish your prayer, go back to the beginning of your journal entry and write out a title and a topic for your day's journaling.
